

Espèces rencontrées pendant : Séances de détermination Salle SM05 2018 - le 10/09/2018

Agaricus augustus = *Agaricus perrarus*

Agaricus crocodilinus = *Agaricus excellens* = *Agaricus macrosporus* = *Agaricus albertii* = *Agaricus albertii* var. *kuehnerianus* = *Agaricus kuehnerianus* = *Agaricus urinascens*

Agaricus sylvicola

Albatrellus citrinus

Amanita citrina var. **intermedia** = *Amanita intermedia* = *Amanita porphyria* f. *annulocitrina*

Amanita muscaria

Chroogomphus helveticus = *Gomphidius helveticus*

Chroogomphus rutilus = *Gomphidius viscidus*

Clavariadelphus truncatus = *Clavaria truncata*

Clavulina cinerea = *Clavaria cinerea*

Cortinarius dibaphus

Cortinarius fraudulosus

Cortinarius melanotus

Cortinarius praestans

Cystoderma carcharias var. **fallax** = *Cystoderma fallax*

Cystoderma superbum

Echinoderma asperum = *Cystolepiota aspera* = *Lepiota aspera* = *Echinoderma friesii* = *Echinoderma acutesquamosa* = *Lepiota acutesquamosa*

Fistulina hepatica

Hydnum repandum = *Hydnum repandum* var. *repandum*

Hygrophorus discoxanthus = *Hygrophorus discoxanthus* var. *chrysaspis* = *Hygrophorus chrysaspis*

Inocybe corydalina

Inocybe fastigiata = *Inocybe rimosa* = *Inocybe rimosa* var. *rimosa* = *Inocybe fastigiata* var. *argentata* = *Inocybe umbrinella* = *Inocybe fastigiata* f. *superba*

Lactarius britannicus = *Lactarius subsericatus*

Lactarius controversus

Lactarius deterrimus

Lactarius pubescens = *Lactarius pubescens* var. *betularum*

Lactarius sanguifluus

Lactarius semisanguifluus

Lycoperdon perlatum

Paxillus involutus

Pluteus tricuspidatus = *Pluteus atromarginatus* = *Pluteus nigrofloccosus*

Rubroboletus rubrosanguineus = *Boletus rubrosanguineus* = *Boletus splendidus* subsp. *moseri*

Russula queletii

Sarcodon imbricatus = *Hydnum badium*

Scutigera confluens = *Albatrellus confluens*

Spathularia flavida

Suillus granulatus = *Boletus granulatus*

Suillus grevillei = *Boletus elegans* = *Boletus grevillei* = *Suillus elegans*

Tapinella atrotomentosa = *Paxillus atrotomentosus*

Tricholoma aurantium

Tricholoma bufonium

Tricholoma pseudonictitans

Tricholoma sejunctum var. coniferarum

Tricholomopsis rutilans

Xerula melanotricha = *Oudemansiella melanotricha* = *Oudemansiella badia*

Xerula pudens = *Oudemansiella pudens* = *Oudemansiella longipes* = *Xerula longipes* = *Collybia longipes*
