

## 146 espèces comestibles (Validé par ANSES – en 2017)

**Agaricus arvensis** = *Agaricus fissuratus*

**Agaricus bisporus** = *Agaricus bisporus* var. *bisporus* = *Agaricus cookeanus* = *Agaricus hortensis*

**Agaricus bitorquis** = *Agaricus edulis*

**Agaricus campestris**

**Agaricus crocodilinus** = *Agaricus excellens* = *Agaricus macrosporus* = *Agaricus albertii* = *Agaricus urinascens*

**Agaricus essettei** = *Agaricus abruptibulbus*

**Agaricus macrocarpus**

**Agaricus osecanus** = *Agaricus nivescens*

**Agaricus sylvaticus** = *Agaricus haemorrhoidarius*

**Agaricus sylvicola**

**Aleuria aurantia**

**Amanita caesarea**

**Amanita fulva**

**Amanita rubescens**

**Amanita vaginata**

**Auricularia auricula-judae** = *Hirneola auricula-judae*

**Auricularia polytricha**

**Boletus aereus**

**Boletus aestivalis** = *Boletus reticulatus*

**Boletus edulis**

**Boletus mamorensis**

**Boletus pinophilus** = *Boletus pinicola* = *Boletus edulis* var. *fuscoruber*

**Butyriboletus appendiculatus** = *Boletus appendiculatus*

**Butyriboletus fuscroseus** = *Boletus pseudoregius*

**Butyriboletus regius** = *Boletus regius*

**Calocybe gambosa** = *Tricholoma gambosum* = *Tricholoma georgii*

**Calvatia gigantea** = *Langermannia gigantea* = *Lycoperdon giganteum*

**Cantharellus alborufescens** = *Cantharellus cibarius* var. *alborufescens* = *Cantharellus henrici* = *Cantharellus ilicis* = *Cantharellus lilacinopruinatus*

**Cantharellus amethysteus** = *Cantharellus cibarius* var. *amethysteus* = *Cantharellus rufipes*

**Cantharellus cibarius** = *Cantharellus cibarius* var. *rufescens* = *Cantharellus cibarius* var. *atlanticus* = *Cantharellus cibarius* var. *salmoneus* = *Cantharellus parviluteus*

**Cantharellus ferruginascens** = *Cantharellus cibarius* var. *ferruginascens* = *Cantharellus cibarius* var. *flavipes*

**Cantharellus friesii**

**Cantharellus pallens** = *Cantharellus subpruinosis* = *Cantharellus cibarius* var. *pallens*

**Chlorophyllum rhacodes** = *Macrolepiota rhacodes* = *Macrolepiota rhacodes* var.

*rhacodes* = *Lepiota rhacodes*

**Clitocybe odora**

**Clitopilus prunulus**

**Coprinus comatus**

**Cortinarius caperatus** = *Rozites caperata* = *Rozites caperatus*

**Cortinarius praestans**

**Craterellus cinereus** = *Pseudocraterellus cinereus* = *Cantharellus cinereus*

**Craterellus cornucopioides**

**Craterellus ianthinoxanthus** = *Cantharellus ianthinoxanthus* = *Cantharellus cibarius* var.  
*ianthinoxanthus*

**Craterellus lutescens** = *Cantharellus lutescens* = *Cantharellus lutescens* f. *schizocroica* =  
*Cantharellus aurora*

**Craterellus melanoxeros** = *Cantharellus melanoxeros*

**Craterellus sinuosus** = *Pseudocraterellus undulatus* = *Pseudocraterellus sinuosus* =  
*Cantharellus sinuosus*

**Craterellus tubaeformis** = *Cantharellus tubaeformis* = *Cantharellus infundibuliformis* =  
*Cantharellus xanthopus*

**Cuphophyllus pratensis** = *Camarophyllus pratensis* = *Hygrocybe pratensis* = *Cuphophyllus*  
*pratensis* var. *donadii* = *Cuphophyllus pratensis* var. *vitulinus*

**Cuphophyllus virgineus** = *Cuphophyllus niveus* = *Cuphophyllus niveus* f. *roseipes* =  
*Hygrocybe nivea* = *Hygrocybe virginea* = *Hygrophorus subradiatus*

**Cyclocybe cylindracea** = *Agrocybe cylindracea* = *Agrocybe aegerita* = *Pholiota cylindracea*

**Dendropolyporus umbellatus** = *Grifola umbellata*

**Disciotis venosa**

**Entoloma aprile** = *Rhodophyllus aprilus*

**Entoloma clypeatum**

**Fistulina hepatica**

**Flammulina velutipes** = *Collybia velutipes*

**Gomphidius glutinosus**

**Gomphus clavatus** = *Neurophyllum clavatum*

**Grifola frondosa** = *Polyporus intybaceus*

**Guepinia helvelloides** = *Tremiscus helvelloides* = *Lenzites helvelloides*

**Gyroporus cyanescens** = *Boletus cyanescens*

**Hydnum repandum** = *Hydnum repandum* var. *repandum*

**Hydnum rufescens**

**Hygrocybe punicea** = *Hygrocybe acutopunicea* = *Hygrophorus puniceus*

**Hygrophoropsis aurantiaca** = *Hygrophoropsis aurantiaca* var. *nigripes*

**Hygrophorus latitabundus** = *Hygrophorus limacinus*

**Hygrophorus marzuolus**

**Hygrophorus nemoreus** = *Hygrophorus nemoreus* var. *gracilis*

**Hygrophorus penarioides** = *Limacium penarium* = *Hygrophorus penarius* invalide =  
*Agaricus nitens* = *Hygrophorus barbatulus*

**Hygrophorus russula**

**Hypsizygus tessulatus**

**Imleria badia** = *Xerocomus badius* = *Boletus badius* = *Boletus badia* = *Xerocomus badia*

**Infundibulicybe geotropa** = *Clitocybe geotropa*

**Infundibulicybe gibba** = *Clitocybe gibba* = *Clitocybe infundibuliformis*

**Kuehneromyces mutabilis** = *Pholiota mutabilis*

**Laccaria amethystina** = *Laccaria amethystea*

**Laccaria bicolor**

**Laccaria laccata** = *Laccaria tetraspora* var. *scotica*

**Laccaria proxima** = *Laccaria laccata* var. *moelleri* = *Laccaria laccata* var. *proxima*

**Lactarius deliciosus**

**Lactarius picinus**

**Lactarius sanguifluus**

**Lactarius semisanguifluus**

**Lactarius vinosus** = *Lactarius sanguifluus* var. *violaceus*

**Lactifluus volemus** = *Lactarius volemus*

**Laetiporus sulphureus** = *Polyporus sulphureus*

**Leccinum albstipitatum** = *Leccinum rufum* = *Krombholziella aurantiaca*

**Leccinum aurantiacum** = *Leccinum quercinum* = *Krombholziella quercina*

**Leccinum duriusculum** = *Krombholziella duriuscula* = *Boletus duriusculus*

**Leccinum pseudoscabrum** = *Leccinum carpini* = *Krombholziella carpini* = *Boletus carpini*

**Leccinum scabrum** = *Leccinum roseofractum* = *Krombholziella scabra* = *Leccinum murinaceum*

**Leccinum variicolor** = *Krombholziella variicolor*

**Leccinum versipelle** = *Krombholziella versipellis* = *Leccinum testaceoscabrum*

**Lentinula edodes**

**Lepista glaucocana** = *Tricholoma glaucocanum* = *Rhodopaxillus glaucocanus*

**Lepista irina** = *Tricholoma irinum* = *Rhodopaxillus irinus*

**Lepista luscina** = *Lepista panaeola* = *Lepista panaeolus* var. *nimbatus* = *Lepista panaeolus*

**Lepista nuda** = *Lepista nuda* var. *pruinosa* = *Lepista nuda* var. *tridentina* = *Tricholoma nudum* var. *lilacea* = *Rhodopaxillus nudus*

**Lepista saeva** = *Lepista personata* = *Tricholoma personatum* var. *anserina* = *Rhodopaxillus personatus*

**Lepista sordida** = *Rhodopaxillus sordidus*

**Leucoagaricus leucothites** = *Lepiota pudica* = *Lepiota leucothites* = *Lepiota naucina*

**Limacella guttata** = *Limacella lenticularis*

**Lyophyllum decastes** = *Lyophyllum aggregatum*

**Macrolepiota excoriata** = *Lepiota excoriata* = *Macrolepiota excoriata* var. *squarrosa*

**Macrolepiota mastoidea** = *Macrolepiota gracilentata* = *Macrolepiota konradii* =  
*Macrolepiota rickenii* = *Macrolepiota affinis*

**Macrolepiota procera** = *Lepiota procera*

**Marasmius oreades**

**Morchella elata** = *Morchella conica* = *Morchella costata* = *Morchella conica* var.  
*costata* = *Morchella deliciosa*

**Morchella esculenta** = *Morchella esculenta* var. *rotunda* = *Morchella rotunda* = *Morchella*  
*vulgaris* = *Morchella esculenta* var. *vulgaris*

**Morchella semilibera** = *Mitrophora semilibera* = *Mitrophora hybrida*

**Neoboletus erythropus** = *Boletus erythropus* = *Neoboletus luridiformis* = *Sutorius*  
*luridiformis*

**Otidea onotica** = *Otidea abietina*

**Paralepista flaccida** = *Lepista flaccida* = *Clitocybe flaccida* = *Lepista splendens*

**Paralepista inversa** = *Lepista inversa* = *Clitocybe inversa* = *Lepista flaccida* var. *inversa*

**Pleurotus cornucopiae**

**Pleurotus cornucopiae** var. **citrinopileatus** = *Pleurotus citrinopileatus*

**Pleurotus eryngii**

**Pleurotus ostreatus** = *Pleurotus opuntiae*

**Pleurotus pulmonarius**

**Pleurotus salmoneostramineus**

**Pseudohydnum gelatinosum** = *Tremellodon gelatinosum*

**Ramaria botrytis** = *Clavaria botrytis*

**Russula aurea** = *Russula aurata*

**Russula cyanoxantha**

**Russula integra** = *Russula polychroma*

**Russula mustelina**

**Russula romellii**

**Russula vesca**

**Russula virescens**

**Russula xerampelina** = *Russula erythropus*

**Sparassis crispa**

**Stropharia rugosoannulata** = *Stropharia ferrei*

**Suillellus luridus** = *Boletus luridus*

**Suillellus queletii** = *Boletus queletii* = *Boletus queletii* var. *rubicundus*

**Suillus luteus** = *Boletus luteus*

**Tricholoma atosquamosum** = *Tricholoma nigromarginatum*

**Tricholoma cingulatum**

**Tricholoma columbetta** = *Tricholoma impolitum*

**Tricholoma orirubens**

**Tricholoma portentosum**

**Tricholoma scalpturatum**

**Tricholoma squarrulosum** = *Tricholoma atosquamosum* var. *squarrulosum*

**Tricholoma terreum** = *Tricholoma myomyces*

**Verpa bohemica** = *Ptycoverpa bohemica* = *Ptychoverpa bohemica*

**Verpa conica**

**Volvariella volvacea**

**Volvopluteus gloiocephalus** = *Volvariella speciosa* = *Volvariella gloiocephala*
